Sir.

In submitting the Board's Resolution No. II of 26th February 1895, I have the honor to state that the Board has in the above resolution allotted Rs 5000/- from the balance towards the cost of the special measures which have been taken and have to be taken to meet the increasing scarcity of water for drinking and domestic purposes.

2 The wells on the Ulsoorpete Sides of the City having failed some

of them have been deepened by sinking earthen rings in; while others which could not be so deepened are being from time to time — cleared of silt. A new well is being excavated in the bed of the Sampangiahalli tank.

3 The Fort Karanjee tank was dried up: a spring pond that was excavated in 1893 has been cleared up and water is as in 1893 being daily bailed into the Karanjee. It is also in contemplation to sink a well in Gavipur a place often resorted to by the inhabitants of the City and where the supply of water has almost failed.

4 The Estimates of such of these works as are or may be within my power of sanction have been and will be sanctioned and

those extending my power will be submitted to the Government for sanction.

5 The early sanction of Government may be accorded for the allotment of funds was made by the Board.

Sir,

In reference to Government Proceedings No. 14404 / L.F.7-94 dated 13th March 1895 declining to sanction the allotment of Rs. 5000/- from the general balance and suggesting the submission of a reappropriation of items of sanctioned Budget I have the honor to state that in order to keep the Reserve as laid down in Government Proceedings No. 6861-70 / L.F. 15-7

No. 6861-70 / L.F 157 dated 8th December 1889 the D.P.W. Budget of this Municipality had to be limitted to Rs 23,178/-. In the year 1893-94 the sanctioned Budgeted amount was Rs. 46,685/- and the expenditure was Rs 49898/-. The excess over the Budgeted amount was met from the balance. It is not therefore praticable to meet the proposed expenditure by a re-appropriation of items from the sanctioned Budget

Sir

An ~~additional~~ allotment of Rs 5000 was sanctioned for water supply in the Bangalore City and the President was requested to state for what amount he had already accepted ch. Z. S and for what amount estimates were ready for submission to Govt, as this cost could not be met by a re appropriation and additional allotments were said to be necessary.

2 The ~~Precedent~~ amount represented for works sanctioned or to be sanctioned by the President comes to Rs 3928 and an estimate for Rs 1022 is stated to be ready for submission.

3 I therefore beg to suggest that the ~~additional~~ referred to allotment of Rs 5000 ~~already~~ may now be sanctioned as an addition to the current year's Budget grant.

To The Ld Councillor.

This grant must come from the Budget. It will probably not be, as the receipts for rains have improved the drinking water supplies. 17/5
